Dear Parent/Carer

Re: School Fund Contribution

Each academic year the School asks parents for a voluntary School Fund contribution of £30.00. These contributions help us by allowing us to subsidise some of the School trips your son/daughter will go on and without which many could not happen. It also contributes towards a number of extra-curricular activities including Sports Day, music concerts and additional library books.

Please make payment through the online Schoolcomms/ Gateway platform. Information about this is available from the school website under the 'Resources' Link.

The staff and governors are extremely grateful to the parent body for the School Fund contributions that have been paid in the past and will be paid in the future: it really does make a difference.

Yours sincerely

S N Bird (Dr)
