Head of Year Message

Welcome back Year 12! I hope you had a happy but productive break.

You have now completed the bulk of year 12 and roughly half of the AS subject content. Sorry to mention this, but you are quickly approaching the End of Year Assessments.

Therefore, pay careful attention to the feedback from the Assessments you have just completed. Put a plan in place to consolidate your learning and improve your revision strategies.

Good attendance and punctuality are vital. So are: organisation, engagement and a positive attitude.

Ms Hurley

Personal Development

This half-term we will :

- Look at securing work experience placements
- And launch personalised careers guidance
