Head of Year Message

Welcome Back Year 13

We hope you have had a restful and enjoyable break and are feeling refreshed for the term ahead. This is an important time in the academic year as we focus on consolidating learning and preparing for upcoming exams.

There are just **14 teaching weeks** until study leave begins, so every lesson counts. **Good attendance and punctuality are essential**—subjects are still completing the course content, and every session is an opportunity to strengthen your understanding before moving into full revision mode.

Make the most of your time by staying organised, engaging fully in class, and using effective revision strategies. Your hard work now will make a huge difference when exam season arrives.

Let's start strong and keep the momentum going.

Mrs Yates
