Head of Year Message

Welcome back year 8!

After a busy first year, I am sure that you are really excited to step back through that gate and into your second year at HGS.

This year is pivotal in your development of skills such as organisation, routines, and planning. What you achieve this year will set you up for your GCSE years to come, so ask yourself: what small victory can win today?

I look forward to seeing you all return and hearing all about your summer!

-Mr Patrick

Personal Development

- **Law**
- **Crime awareness**
- **Keeping yourself safe**
