Head of Year Message

Welcome back year 10!

I hope you have had a wonderful summer and are looking forward to the start of Year 10.

As we discussed in our assembly in July, the key message for the start of the year is don't wait for the intervention. Make the right choices from day one, take responsibility for your learning, and seek support before it becomes necessary.

Year 10 marks the start of GCSE study and I want each one of you to hit the ground running in your new subjects by, working hard in lessons and developing positive study habits from the outset.

I hope you are excited to start a new year with lots of new opportunities!
