Head of Year Message

Welcome back, Year 11! This is an important year, but it is also an exciting one. The choices you make from today onwards will have a significant impact on your future opportunities. Success does not come from last minute revision or natural talent alone. It comes from consistent effort, good habits, and a positive attitude every day.

There will be challenges along the way, but remember that every lesson, homework task, and revision session is a step towards achieving your goals. Believe in your ability to improve, ask for help when you need it, and make the most of every opportunity.

We are here to support you, but the commitment and determination must come from you. Start strong, stay focused, and make this year one that you are proud of.

Let's make Year 11 your best year yet.

Ms T Saleem
Head of Year 11
