Head of Year Message

Welcome Year 12

Welcome to the new academic year! I am delighted to be welcoming our Year 12 students to HGS, including the many students who are continuing their journey with us from Year 11, as well as those who are joining our community for the first time.

Starting Sixth Form is an exciting milestone, bringing new opportunities, challenges and experiences.

I am incredibly excited to work with this year's cohort and look forward to getting to know students and families over the coming months.

I wish all our students a fantastic start to the year and look forward to celebrating their successes along the way.

Mrs C Yates
Head of Year 12

Personal Development

The KS5 Personal Development (PD) programme at HGS will be delivered through one PD lesson per fortnight, complemented by weekly form-time PD sessions led by form tutors. While there is no examined content within the programme, its purpose is to help students thrive during their time in the Sixth Form and prepare confidently for the next stages of education, employment and adult life. During the first half term, the focus will be on transition into Sixth Form and fostering a strong sense of belonging within the HGS community.
